INQUIRY COMMISSION

MOVANT

V.

IN SUPREME COURT

DAVID B. GRAY

RESPONDENT

**ORDER GRANTING RECONSIDERATION**

David B. Gray has filed a verified motion asking this Court for reconsideration of its order, rendered March 22, 2018, that temporarily suspended him from the practice of law. The Inquiry Commission has responded that it agrees to the reconsideration and to the lifting of the temporary suspension upon the terms set forth below.

This Court, having considered the matter and being otherwise fully and sufficiently advised, GRANTS reconsideration and ORDERS that enforcement of the Court's Opinion and Order, entered March 22, 2018, is withheld until further orders of this court provided that Gray fully complies with the following conditions:

1. Gray must successfully complete the program in which he is currently enrolled at Northbound Treatment Services and must

successfully complete all after-care recommended by his treating healthcare professionals.

2. Gray must enter into and maintain compliance with an appropriate agreement with KYLAP of five years' duration, and must maintain in effect his previously executed Authorization so the Office of Bar Counsel may directly communicate with KYLAP;

3. Gray must submit status reports to the Office of Bar Counsel regarding his in-patient rehabilitation within thirty days of this order, and thereafter every ninety days regarding his compliance with the terms of the KYLAP Agreement during the duration of the KYLAP Agreement; and

4. In the event Gray does not satisfy these conditions, the Office of Bar Counsel may file a Motion for Contempt for his failure to comply with the terms of this Order.

All sitting. All concur.

Dated: April 26, 2018.
